Export to pdf file does not work

Environment:

OS: Win10Pro 22H2 19045.2486

Browser: Edge 110.0.1587.41

Preparation:

1. Open the website (https://app.profitmatters.co/version-assistant/).
2. Log in (wemakemvpqa@gmail.com | Kmb4GEjbLsEcnUbLScEnyNV).
3. Click the "Menu" icon and choose the "Client" item.
4. Choose a company (Profit Matters Test).

Steps:

1. Open the "Scoreboard" tab.
2. Click the export icon.
3. Click the "Generate" button.

Actual result:

The pdf file is not generated.

Expected result:

The pdf file is generated and saved on the user's PC.

Page does not respond when entering a large number in the input field in the settings

Environment:

OS: Win10Pro 22H2 19045.2486

Browser: Edge 110.0.1587.41

Preparation:

1. Open the website (https://app.profitmatters.co/version-assistant/).
2. Log in (wemakemvpqa@gmail.com | Kmb4GEjbLsEcnUbLScEnyNV).
3. Click the "Menu" icon and choose the "Client" item.
4. Choose a company (Profit Matters Test).

Steps:

1. Open the "Scoreboard" tab.
2. Click the settings icon.
3. Enter a large number (>300 characters) in the input field “Metric name”.

Actual result:

The page does not respond.

Expected result:

The input field does not allow entering numbers with many characters.
