Bug-report №2

Summary	Displays information about the user's network location.
Component	Homepage
Version	v. 23.67
Severity	S4 (Minor)
Priority	P1 (High)
Status	New
Environment	Windows 10 Pro 21H1 (19043.2130) Opera 91.0.4516.77
Steps to Reproduce	1. Open http://testingtoolreview.com/classifieds/ . 2. Look at the top left corner of the web page.
Actual Result	Information about the IP and country of the user's location is displayed.

Expected Result	Information about the IP and country of the user is not displayed.
Attachment	 <p>The screenshot displays a web application interface. At the top is a blue header bar containing the text 'Free Classifieds', a 'Listing' menu icon, a 'Categories' dropdown, and icons for search, email, and a signal strength indicator. To the right of the header are 'Login' and 'Publish new' buttons. Below the header, a status bar shows 'ip: 37.19.218.154 Country: ua'. A search bar is positioned to the right of the status bar. The main content area features a 'Latest Ads' section with four vertical placeholder cards, each with a small image icon at the top. A mouse cursor is visible on the left side of the page. On the right side, there is a browser window mockup showing the URL 'httpprunco...' and a tab count of '0'.</p>

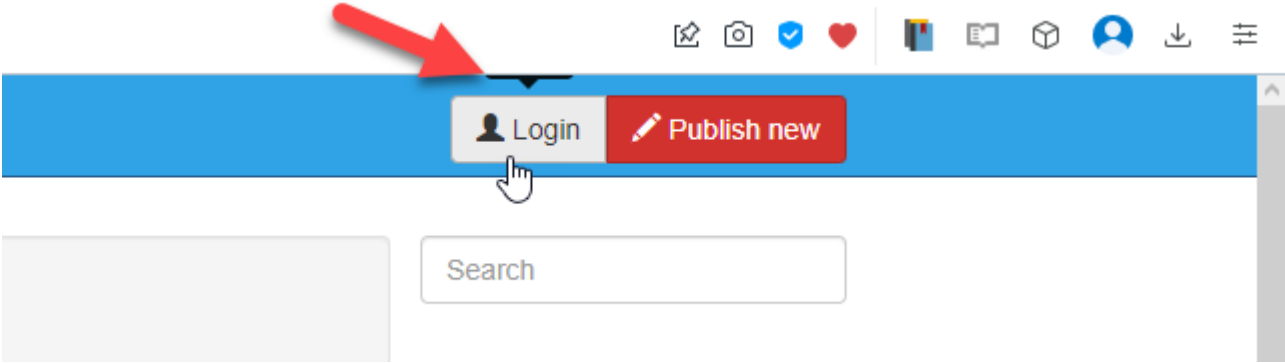

Bug-report №3

Summary	Chat moderator avatar alignment error.
Component	Chat
Version	v. 23.67
Severity	S4 (Minor)
Priority	P2 (Medium)
Status	New
Environment	Windows 10 Pro 21H1 (19043.2130) Opera 91.0.4516.77
Steps to Reproduce	<ol style="list-style-type: none">1. Open http://testingtoolreview.com/classifieds/.2. Look at the right corner of the web page.
Actual Result	The chat moderator avatar is not aligned to the left border.

Expected Result	The chat moderator avatar is aligned to the left border.
Attachment	 The screenshot shows a web application interface. At the top is a blue navigation bar with a 'Login' button (with a user icon) and a 'Publish new' button (with a pencil icon). Below this is a search bar. The main content area is divided into two columns. The left column contains a large, empty rectangular box with a small image icon in the top-left corner. The right column contains a chat window. The chat window has a blue header bar with a user profile picture, the text 'httprunco...', a circular badge with the number '0', and a hamburger menu icon. A red rectangular box is drawn around the profile picture. Below the header, the chat messages are displayed. The first message is from 'Omen' and says 'Message removed by author'. The second message is also from 'Omen' and says 'Message removed by author'. The third message is from 'Testmatick' and says 'hello world'. At the bottom of the chat window, it says 'Couple months ago 1'. A mouse cursor is visible on the right side of the chat window.

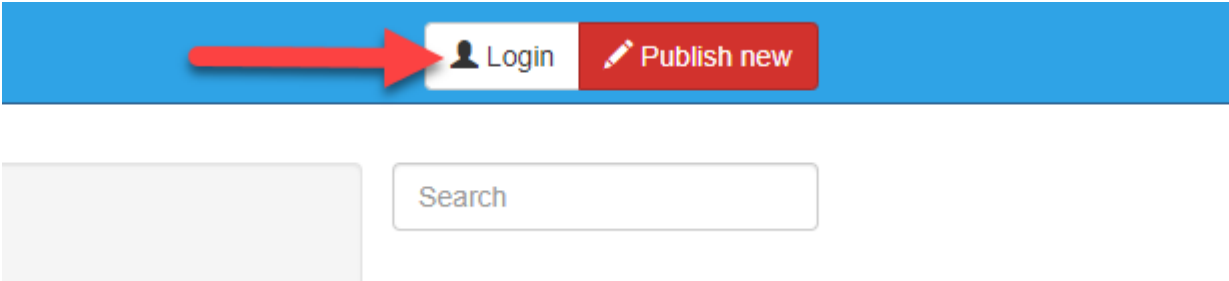

Bug-report №4

Summary	The text in the tooltip is not visible to the user.
Component	Header
Version	v. 23.67
Severity	S4 (Minor)
Priority	P2 (Medium)
Status	New
Environment	Windows 10 Pro 21H1 (19043.2130) Opera 91.0.4516.77
Steps to Reproduce	<ol style="list-style-type: none">1. Open http://testingtoolreview.com/classifieds/.2. Move the cursor over the "Login" button.
Actual Result	The text in the tooltip is not visible to the user.

Expected Result	The text in the tooltip is visible to the user.
Attachment	 <p>The screenshot displays a web application interface. At the top, there is a blue horizontal bar containing two buttons: 'Login' (with a user icon) and 'Publish new' (with a pencil icon). A red arrow points to the 'Login' button, and a tooltip is visible over it, showing the text 'Login'. Above the blue bar, there is a row of icons including a checkmark, a camera, a heart, a book, a document, a cube, a person, a download arrow, and a list icon. Below the blue bar, there is a light gray rectangular area and a search bar with the text 'Search'.</p>

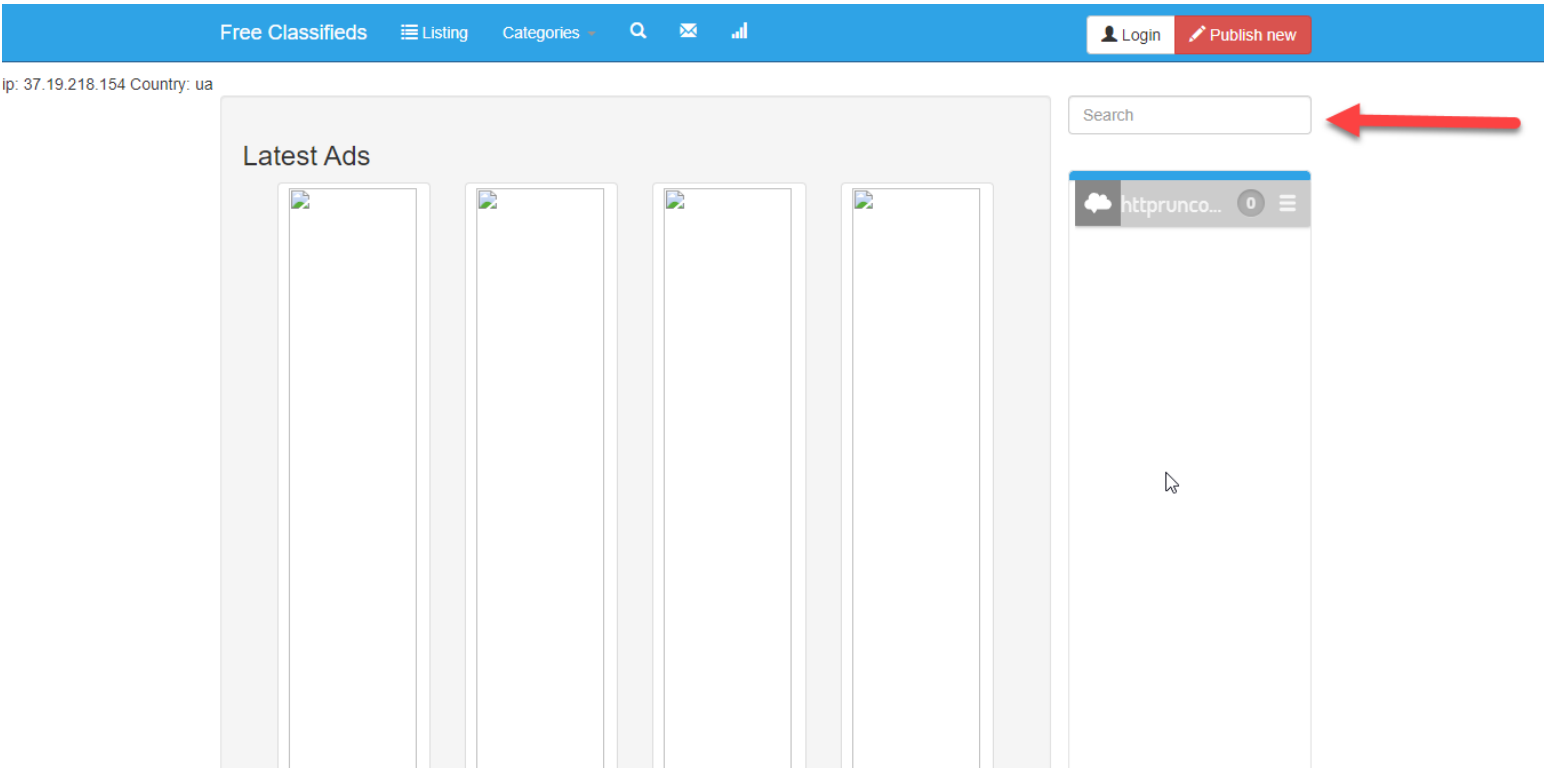

Bug-report №5

Actual Result	Captcha is not displayed on the “Contact Us” page.

Expected Result	Correct display of captcha on the new “Contact Us” page.
Attachment	 The screenshot shows a web application interface. At the top is a blue navigation bar with the text 'Free Classifieds', a 'Listing' menu icon, a 'Categories' dropdown, a search icon, an envelope icon, and a signal strength icon. Below the navigation bar is a light gray box titled 'Contact Us'. Inside this box are four input fields: 'Name', 'Email', 'Subject', and 'Message'. Below these fields is a 'Captcha*' label with a small image icon and the text 'captcha'. A red arrow points to the captcha input field. At the bottom of the gray box is a green button labeled 'Contact Us'.

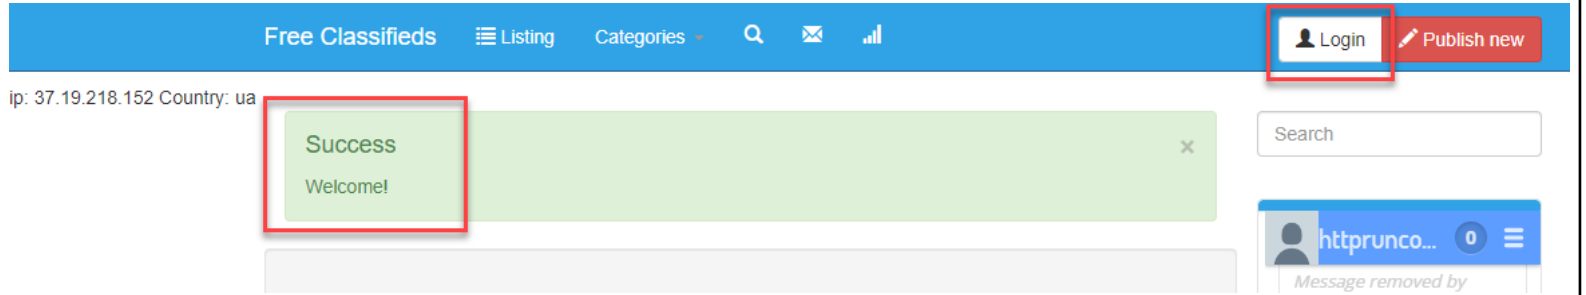

Bug-report №21

Summary	The "Forgot Password" function does not work.
Component	Remember password
Version	v. 23.67
Severity	S1 (Blocker)
Priority	P1 (High)
Status	New
Environment	Windows 10 Pro 21H1 (19043.2130) Opera 91.0.4516.77
Steps to Reproduce	<ol style="list-style-type: none">1. Open http://testingtoolreview.com/classifieds/.2. Click the "Login" button.3. Click the "Forgot password?" link.4. Enter the mailing address of the user registered in the system.5. Click the "Send" button.

Actual Result	An error message “Mailer Error: Could not instantiate mail function” is displayed.
Expected Result	A letter with a temporary password will be sent to the specified email address.
Attachment	 A screenshot of a web application interface. At the top, there is a blue navigation bar with links for 'Free Classifieds', 'Listing', 'Categories', a search icon, an envelope icon, and a signal strength icon. On the right side of the bar are 'Login' and 'Publish new' buttons. Below the bar, on the left, is the text 'ip: 37.19.218.152 Country: ua'. A yellow warning box with a red border is prominently displayed, containing the text 'Warning' and 'Mailer Error: Could not instantiate mail function.' with a close button. Below the warning box is a light gray box titled 'Remember password'. Inside this box is a form with an 'Email' label and a text input field containing the word 'Email'. At the bottom of the form are two buttons: 'Register' and 'Send'. To the right of the main content area is a sidebar with a search bar and a list of messages. The messages are mostly removed by the author, with one visible message from 'Testmatick' saying 'hello world' posted 'Couple months ago'. Another message from 'Ben' is visible at the bottom, dated '2 months ago'.

Bug-report №22

Summary	Incorrect behavior when trying to register a user with an unacceptably long name.
Component	Registration
Version	v. 23.67
Severity	S4 (Minor)
Priority	P3 (Low)
Status	New
Environment	Windows 10 Pro 21H1 (19043.2130) Opera 91.0.4516.77
Steps to Reproduce	<ol style="list-style-type: none">1. Open http://testingtoolreview.com/classifieds/.2. Click the “Login” button.3. Click the “Register” button.4. Fill in the input fields with the appropriate data, using an arbitrary text of 5000 characters as the username.

	5. Click the “Register” button.
Actual Result	A new user is not created. At the same time, it shows a confirmation message.
Expected Result	The character limit for the username is triggered. Highlights the problematic input field and displays an error message explaining the nature of the error.
Attachment	 <p>The screenshot shows a web application interface. At the top, there is a blue navigation bar with the text "Free Classifieds" and several icons. Version	v. 23.67
Severity	S2 (Critical)
Priority	P1 (High)
Status	New
Environment	Windows 10 Pro 21H1 (19043.2130) Opera 91.0.4516.77
Steps to Reproduce	<ol style="list-style-type: none">1. Open http://testingtoolreview.com/classifieds/.2. Click the "Login" button.3. Click the "Register" button.4. Fill in the input fields with the appropriate data, using only space characters as a password.5. Click the "Register" button.

Actual Result	User successfully created. The web page with profile settings is displayed.
Expected Result	The restriction on invalid characters for the password is triggered. Highlights the problematic input field and displays an error message explaining the nature of the error.
Attachment	 A screenshot of a web application dashboard. The top navigation bar is dark with 'Panel' and 'Publish new' on the left, and 'Visit Site' and a user profile icon on the right. A left sidebar contains links for Profile, Edit profile, My Advertisements, Stats, Subscriptions, and Public profile, with a 'Collapse menu' button at the bottom. The main content area shows a breadcrumb 'Panel / Home'. There are two message boxes: a yellow 'Warning' box stating 'Mailer Error: Could not instantiate mail function.' and a green 'Success' box stating 'Welcome!'. Below these, it says 'Welcome John' followed by the email 'nnfootjwtgtmvtzcdf@tmmcv.net' and 'Thanks for using our website.' A mouse cursor is visible near the bottom right of the page.

Bug-report №27

Summary	Incorrect display of the chat invitation form.
Component	Chat
Version	v. 23.67
Severity	S4 (Minor)
Priority	P2 (Medium)
Status	New
Environment	Windows 10 Pro 21H1 (19043.2130) Opera 91.0.4516.77
Steps to Reproduce	<ol style="list-style-type: none">1. Open http://testingtoolreview.com/classifieds/.2. Click the "Wanna join?" button located at the bottom of the chat panel.3. Enter the name and accept it.4. Click the chat menu icon.5. Click the invitation button "+".

Actual Result	Incorrect display of the chat invitation form.
Expected Result	Correct display of the chat invitation form.
Attachment	 <p>The screenshot shows a web application interface. At the top, there is a blue navigation bar with links for 'Free Classifieds', 'Listing', 'Categories', a search icon, an email icon, and a signal strength icon. On the right side of the bar are 'Login' and 'Publish new' buttons. The main content area displays a grid of classifieds. A chat invitation form is overlaid on the right side of the page. The form has a title 'Write to this chat!' and a 'Twitter' button. Below the button, it says 'Share the link below anywhere you want.' and provides a URL: 'http://tlk.io/httpuncodebyclassified'. There is a puzzle piece icon and a warning message: 'Remember, this is a public chat. Anybody can read the link can read.' A red arrow points to the form. The bottom of the page shows a footer with the URL 'testingtoolreview.com/classifieds/publish-new.html' and a small logo.</p>

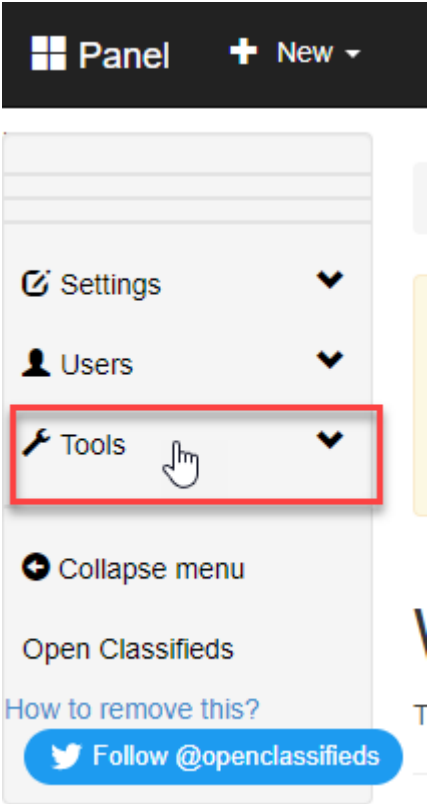

Bug-report №28

Summary	The Administrator does not have the function of editing ads.
Component	Functionality of the administrator
Version	v. 23.67
Severity	S1 (Blocker)
Priority	P1 (High)
Status	New
Environment	Windows 10 Pro 21H1 (19043.2130) Opera 91.0.4516.77
Steps to Reproduce	<ol style="list-style-type: none">1. Open http://testingtoolreview.com/classifieds/.2. Log in as Administrator.3. Click the "Listing" on Header Main Navigation.4. In any ad, click on "Edit".

Actual Result	The Administrator settings panel is displayed, in which there is an error message.
Expected Result	The administrator goes to the page of editing the classified ad.
Attachment	 A screenshot of the Open Classifieds administrator interface. The top navigation bar is dark with 'Panel' and a '+ New' dropdown. On the right, there's a 'Visit Site' link and a user profile icon. A left sidebar contains menu items: 'Settings', 'Users', 'Tools', 'Collapse menu', 'Open Classifieds', and a 'Follow @openclassifieds' button. The main content area has a breadcrumb 'Panel / Welcome'. A red-bordered box highlights a pink error message: 'Error' followed by 'You do not have permissions to access profile update'. Below this is a yellow 'Help us improve!' section with 'Donate' and 'Buy a Theme' buttons. The main heading is 'Welcome admin', followed by 'Thanks for using Open Classifieds. Your installation version is 2.1.1' and a 'Check for updates' button. A 'Latest News' section lists updates like 'Yclas Self-Hosted 3.0' and 'Open Classifieds 2.9.0'. On the right, a 'Tweets from @openclassifieds' widget shows a tweet from 'Yclas - OC' dated Feb 6, 2019, mentioning a 3.6.0 release.

Bug-report №29

Summary	The admin panel tools do not work.
Component	Administrator panel
Version	v. 23.67
Severity	S1 (Blocker)
Priority	P1 (High)
Status	New
Environment	Windows 10 Pro 21H1 (19043.2130) Opera 91.0.4516.77
Steps to Reproduce	<ol style="list-style-type: none">1. Open http://testingtoolreview.com/classifieds/.2. Log in as Administrator.3. In the dropdown list of the user choose the item "Panel".4. Click the "Tools" dropdown list.

Actual Result	Dropdown list "Tools" does not unfold.
Expected Result	Dropdown list "Tools" unfolds.
Attachment	 A screenshot of a web application's sidebar menu. At the top is a dark header with a white grid icon, the word "Panel", a plus icon, and the word "New" with a dropdown arrow. Below this is a light gray sidebar menu. It contains several items: "Settings" with a gear icon and a dropdown arrow, "Users" with a person icon and a dropdown arrow, "Tools" with a wrench icon and a dropdown arrow, "Collapse menu" with a double-headed arrow icon, and "Open Classifieds". The "Tools" item is highlighted with a red rectangular box, and a hand cursor is pointing at it. Below the menu items, there is a link "How to remove this?" and a blue button with a Twitter icon and the text "Follow @openclassifieds".
